SPIRITED LAWN TENNIS
Grant and Phillips Reach Finals
for Harlem Cup.HAZARD MAKES A STAND
Forces Former Indoor Champion
to Dene Set by Hard Fore-
hand Driving.

gyle C. Grant and Benjamin M. Phillips won their places in the final round of the Harlem cup lawn tennis singles on the courts of the club, at 133rd street and Seventh Avenue, yesterday. Grant, the former indoor national champion, met and defeated Walter A. Hazard, the old Crescent Athlete Club crack, at 6-2, 9-7, while Phillips defeated Harold Moore at 7-5, 6-3.

The fact that the original field has been winnowed down to two survivors, who will meet for the cup on Friday afternoon, was commented on as again demonstrating that four or five days are ample time for the duration of a tournament.

The courts were somewhat slow when the men began play yesterday. Hazard finished out his third round match with C. A. Anderson, defeating the latter, 6-8, 8-6, 8-6, in what was the longest contest of the series. He then began his semi-final against Grant. The latter whipped his crossing drives at top speed and ran off the court at 6-2 before Hazard settled into the game.

Grant used his service splendidly up to a set of 3-1 on the second set. Then Hazard straightened out his forehand shots, and the result was that he pulled up to 3-1 in a series of slashing rallies. From that point there was an abundance of snappy serving, smashing and driving, with the game following service. Grant managed to break through Hazard's service on the nineteenth game, winning the set and match 9-7.

Philip's foot and his spectacular service strokes were the features of his game. Moore made a dashing uphill fight throughout the twenty-one games, but could not stem the tide. The summary follows:

Helen Clegg, winner; singles; third round—Mrs. Hazard defeated C. A. Anderson, 6-4, 6-3; second round—Mrs. C. Grant defeated A. L. Hazard, 6-8, 7-5; Benjamin M. Phillips defeated Harold Moore, 7-5, 6-3.

Some progress was made in the championship tournament on the courts of the New York Law Tennis Club, 123rd street and Manhattan Avenue, yesterday. A. I. Hoo followed up his victory over the French player Gaston de Perigny, by defeating F. St. Phalle, 6-1, 6-1. Hoo was unusually steady and placed his returns cleverly.

In the first round M. J. L. Galvan, the defending champion, displayed his speed by racing off to a lead against the veteran, Robert M. Wiley, to the score of 6-2, 6-1. Wiley, the indefatigable German, was a marvel at forcing tactics. Repeatedly he drove the ball so fast that Wiley was compelled to play wide of the court.

The summary follows:

Stanley Clegg, winner; singles; first round—A. Gunther defeated Thomas M. Denhard, 6-4, 6-4; Robert Stewart defeated C. E. Tapp, 6-4, 6-2; G. C. N. Smith defeated C. E. Tapp, 6-4, 6-2; G. C. N. Smith defeated C. E. Tapp, 6-4, 6-2; G. C. N. Smith defeated C. E. Tapp, 6-4, 6-2.

Second round—A. L. Hoo defeated F. St. Phalle, 6-4, 6-3.

SHAKE-UP IN YALE CREW

Tucker Goes to Stroke from Place in Second Eight.

New Haven, May 16.—The poor showing of the Yale crew against Pennsylvania on Saturday led to a shake-up to-day. Van Sinderen, who stroked the crew, has been displaced by Tucker, stroke of the second eight. The new man is lighter, but has long been considered an ideal oarsman, and only faculty disqualification prevented him from stroking his freshman eight.

Tucker goes to the waist of the boat, where his weight will be of more use to the crew, and he displaces Adams at No. 5. The latter has never been regarded as a fixture, and it was doubtful whether he would get a seat in the Pennsylvania race. The remainder of the crew is unchanged.

STANLEY OUTPOINTS ROSS.

Johnnie Stanley, the hard hitting wavy-weight, easily outpointed Peter Ross in a one-sided ten-round bout at the Superior Athletic Club last night. Stanley excelled in ring knowledge, making an advantage in practically every round.

SYRACUSE CREW OFF FOR RACE.

Syracuse, May 16.—The Syracuse "varsity" team left to-day for Annapolis. The crew will practice on the Severn River until Saturday, when they will race the navy now.

THE WEATHER REPORT.

Official Record and Forecast—Washington, May 16.—The international weather map for to-day shows an extensive belt of high pressure over the middle latitudes of the Atlantic Ocean and the Southern portion of the United States and low pressure over the Northern latitudes of the Atlantic Ocean and the Northwestern portion of the United States. This pressure distribution is causing a general northward flow of air over the United States east of the Rocky Mountains, and as a result warm weather comes throughout the middle Atlantic and Southern states, the Middle West and the plains.

With a circulation of warm weather, all fronts have been deflected to the east. Within the last twelve hours there have been scattered showers in the north Atlantic states and rains over the greater portion of the Eastern States. Wisconsin toward the Pacific Coast. The indications are that generally the weather will continue along the Atlantic Coast, light along the west Gulf Coast, moderate, variable in the inland lakes, moderate, variable south and southeast.

AMERICAN GOLFERS DO WELL

Woman Champion Wins and Miss Mary Fowles Also Scores.

Fortrush, Ireland, May 18.—The British woman's golf championship tournament opened on the links of the Royal Portrush Golf Club to-day. Cloudy weather pre-

valled. The contests were somewhat slow when the men began play yesterday. Hazard finished out his third round match with C. A. Anderson, defeating the latter, 6-8, 8-6, 8-6, in what was the longest contest of the series. He then began his semi-final against Grant. In the afternoon Miss Mary Fowles, of the Oakmont Country Club, of Pennsylvania, a sister of the amateur champion of the United States, distinguished herself by beating her formidable rival, Miss M. Scovell, of the Foxrock Club, by 4 up and 3 to play.

The question of supporting this philathropic picnic was presented to the Motor Truck Club at a special meeting held last week. Every member present agreed to send entry blanks and a letter to each of his customers, and a special committee was appointed to conduct an aggressive campaign for entries and to serve as aids in the motor truck division. E. Lascaris, who has been an active supporter of the outing for some years, was made chairman of this committee, and the other members are Messrs. Stone, Alcott, Kengard, Westlake, Bingham and Fulton. This committee believes it can secure the entries of one hundred vehicles suitable for carrying the participants to and from Dreamland.

In addition to cars and trucks, cash has been received from the following: C. C. Case, No. 10; John S. Patterson, No. 30; Mrs. J. D. Smith, 100%; Mrs. E. S.
